

# Bahama & Colonial Hurricane Shutters

*The most beautiful way to protect your home from a storm*

FOR REPLACEMENT AND NEW CONSTRUCTION APPLICATIONS

# Bahama & Colonial Hurricane Shutters

When you want your hurricane shutters to add a design element to your home, GPP Bahama and Colonial Shutters are the best option. Top-hinged Bahama Shutters and side hinged Colonial Shutters highlight your home's design and offer ready storm protection.

## Traditional Look, without Traditional Maintenance

Bahama and Colonial Shutters may look like wood shutters, but these high quality extruded aluminum shutters won't rot and do not require any regular maintenance.

### Beautiful Design Elements

Traditional or Tropical

**Custom Made** The perfect accent for every opening in your home

**Allow Light In** The louvered design allows light and air into your home, yet still provides ultimate storm protection

**Security** When deployed, you can feel confident that your home is protected from storms and intruders

**Warranty** 5 years on material defects and workmanship

**Designer Colors** available in white, ivory, beige and bronze. *Additional designer colors available*

## Beautiful and Functional

Bahama and Colonial Shutters are for those homeowners that want a beautiful yet functional answer to their hurricane protection needs. By choosing Bahama and Colonial Shutters, you immediately add value and character to your home, while at the same time providing low maintenance, high quality storm protection.

## Bahama and Colonial Shutters The Beautiful Choice

- Impact Resistant
- Let Light In
- Easy to Deploy
- Architecturally Enhancing
- Secure
- Sun Control
