# Roll Down Hurricane Shutters

Roll Down Shutters are the ultimate, most prestigious way to protect your home from a storm. Roll Down Shutters deliver an elegant design solution, they look like your house was built around them!

## Engineered to the Highest Standard

Made from impact resistant extruded aluminum, Roll Down Shutters meet all Miami-Dade Hurricane Code Requirements and are custom built for each opening of your home. When you demand the best – Roll Down Shutters are the only choice.

**Storm Protection** Every GPP roll down shutter meets the stringent requirements of the Miami-Dade testing protocol

**Noise and Light Reduction** Can be opened or closed to any level to reduce noise and glare

**Security** Whether you are home or away, your home is safe and secure

**Warranty** 5 years on material defects and workmanship, 2 years on the motor

**Privacy** When deployed, provides complete privacy

**Designer Colors** Available in white, ivory, beige and bronze

**Insulation** From harsh noise and damaging UV rays

## Easy to Deploy

Another feature of Roll Down Shutters are how easy they are to deploy! You can choose a manual crank or add a motor for “flip a switch” convenience. If you aren’t going to be home for a day or gone for a year, secure your home before you leave and enjoy the security of knowing your home is protected. No power – no problem! All motors are available with manual override.
